Saturday, October 9

9 am to 4 pm

Dabble Into Double

Make a voyage of discovery to achieve a deeper understanding of your knitting! Try a variety of types of Double Knitting to produce two-layer fabrics. Starting with tubular knitting on straight needles, open and condensed bind-off methods and the magnificent double knit pocket trick. Using two yarns we will introduce positive/negative DK color patterning techniques and quilting for added texture and warmth.

Bubble Scarf

Two colorways of Kauni Effektgarn play off one another as stuffed bubbles break through to the opposite sides of this DK scarf that is guaranteed to make you smile.

Saturday Class Fee:
\$110 for both classes
plus yarn kit
(enough for 2--60" scarves)

Sunday, October 10

9 am to 4 pm

Double Up and Around

Make an exploratory journey into other realms of Double Knitting. We will begin with tubes within tubes, worked in the round, initially with a single yarn, two yarns and then with colour patterning. We will look at different ways to handle the yarns for maximum efficiency and how to incorporate shapings into double fabrics, topped off with tubular bind-off. These techniques are suited to ultra warm mittens and cozy lined socks.

Double Knitting for the Addicted

Take your double knitting to new levels with delightful side-opening pockets with vertical or diagonal edges. Use of a double yarn to make subtle containment spaces. How to plan, chart and work different designs on both sides of the fabric. Horizontal/vertical patterning with slip stitches. Turning a heel into a DK sole fabric.

Sunday Class Fee:
\$110 for both classes

\$200 for entire weekend classes
