NOVEMBER 2015 CLASSES

Julenisse

The Julenisse is a traditional Danish Christmas folklore character. Heidi's Julenisse has his hands in his pockets and an impish little face. He looks like he's planning a pleasant bit of mischief. He's very easy to knit. Savvy knitters will notice that his head is a sock toe and his clothes are created by simple color changes. A bit of embroidery creates the illusion of pants and sleeves.

Needle Felted Bear

Learn three dimensional needle felting while creating a tiny teddy bear, designed by guest teacher, Susan Childress. You'll use a special needle to hand sculpt your bear, first forming body sections, joining the sections together, and finishing with the facial features that will give your bear its own personality.

Susan will bring a mini trunk show of projects to let you see how your new needle felting skills can be used to make other projects. Your new teddy bear will look great on your Christmas tree.

Crochet Hankie

BJ's original hankie edging designs are perfect for intermediate level crocheters looking for a challenge. You'll work with a size 1.00 mm hook and size 20 cordnet cotton thread to embellish the edge of a cotton hankie blank. First-timers to hankie class will work a simplified design, providing a gentle introduction to the art of hankie making. Experienced hankie makers will work the Triad Arch Handkerchief.

Felt Clogs

Clogs are knit XXXL size in wool and then run through the wash machine to shrink the wool into a tight, firm fabric. Susan will share her tips and tricks to help you keep track of the wrap and turns and increases that create the clog shaping. There are size options for every family member. Every new pair that Susan creates has a new element of creativity. She'll show you how to use needle felting to add a name, a flower, a soccer ball, a snowman, snowflake, or whatever embellishment you want. You can even add a jester fringe to the cuff for a real touch of whimsy.
