

OCTOBER BEGINNERS CLASSES

Knitting for Beginners

Learn to knit by making swatches of basic stitches. Emphasis is placed on learning to “read” your stitches so that you can become a confident knitter. Class also includes a taste of lace and cables.

Knit Beginner Project

This hat and scarf combination gives beginners opportunity to practice and polish their basic skills. You’ll learn to use circular and double pointed needles while making the hat. The hat will also be your introduction to multi gauge patterns, which allow you to make the same design in many different kinds of yarn. The scarf combines the cables and other stitches you learned in Knitting for Beginners so that you can keep learning to read your stitches and have something beautiful to wear.
